Available on loan at the CIA Library is a report on the Farmers' Cooperative at Straze nad Myjavou (N 48-39, E 17-09). The Cooperative has 62 members and its performance is satisfactory. It does not make use of a state tractor station though it is supposed to use the one in Sastin (N 48-38, E 17-09). The members do not want to leave the Cooperative now because they would continue to be responsible for its debts.
